

Driving Record Check

Date

Employer

Some funding agencies mandate a driver's check to be performed on every employee hired.

If an employer is authorized for mileage through their budget. A driver's check will be performed on each employee.

If a funding agency does not mandate a drivers check on an employee. The Employer may choose to elect a drivers check to be performed on potential applicant.

_____ I request a driver check to be ran on all my potential applicant.

_____ I decline to have the drivers check ran on all my potential applicant.
